

# PLASTICIENS VOLANTS

## Aquatic Parade

One day

we dreamed of writing our stories in the most beautiful stage area : the sky!  
And since, our spectators have got into the habit of tilting their heads to  
experience the adventures we recount.

**Marc Mirales,**  
*Founder of Plasticiens Volants*

Plasticiens Volants.

It's the profound desire to address each and everyone,  
thanks to a universal language, the language of images and dreams.  
It's the deliberate choice to invest public space to tell aerial fables visible by all.  
It's a parenthesis of imaginary and sensations where our creatures stroke  
and are stroked by young and old.  
It's a long adventure of shared passions, to adorn the sky with our giant inflatable puppets,  
to deploy dramaturgy and large scale staging,  
to experience a shared moment and resonate together.  
The show is everywhere : in the middle, above, at the corner of a street,  
in the eye of the person next to you.  
Shared emotions which are the sap of these festive moments.  
We imagine, model, assemble and pigment inflatable aerial sculptures  
to inhabit the sky with imaginary tales.  
With our dreams, let's dress the sky,  
so they become mutual.
